Optimo Olive Oil

THE IDEAL OF PURITY.

For those who want pre-eminently the best olive oil, we strongly recommend "Optimo." It is bottled expressly for us in Bordeaux, France, from where we import direct and is from the first pressings of the finest high grade ripe olives. One way of determining which is best is to taste it. It is perfectly sweet and very delicate in flavor you may conclude that it is the first pressing.

This is the season when nearly everybody wants building up and vitalizing. "Optimo" olive oil, besides being a highly invigorating food, furnishes the lubricant the body so much needs, cleansing and healing and stimulating the digestive system.

We just received 100 cases of "Optimo" olive oil, probably the largest shipment that ever came to El Paso, and by importing direct we are able to sell at New York prices.
